**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please let broadband companies compete with existing public infrastructure. I went with a local internet provider (sonic) because they don't gouge me on data usage, where all my other local providers do. Please reconsider any legislation hindering smaller businesses from competing. Thank you.
